Trait Stewardship - Before opening this bag of seed be sure you read, understand and accept the stewardship requirements for the biotechnology traits expressed in this seed as set forth in the Monsanto Technology/Stewardship Agreement that you signed. By opening and using this bag of seed, you are reaffirming your obligation to comply with the most recent stewardship requirements.

Herbicides - Contact your Monsanto dealer or refer to Monsanto's Technology Use Guide for recommended Roundup Ready system weed control programs.

Monsanto Company is a member of BIO's Excellence Through Stewardship™ (ETS) Initiative. This product has been commercialized in compliance with the ETS and Monsanto Product Launch Stewardship policies, after meeting applicable regulatory requirements in key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Monsanto encourages growers to talk to their product or grain handler or purchaser to confirm their buying position for this product.
